

- 1) Virtually no chance of knowing LHO in NO in 1959. LHO there only long enough to catch boat.

None of the Dallas-Ft. Worth Russian-types C.I.A was concerned about. There's no need to spy on them, as LHO wouldn't antagonizing them. "Austie" on phone for having heard Hosty in 1976 gone away. Story of LHO going to DFO to see Hosty public 8/31/75. In all other respects obvious fake.

Question: Why would FBI waste time and money on this? Set HSCA up with a nut?
